PUBLICATIONS LIST

This list shows what is available free of charge from **Alberta Agriculture District Offices** (see inside back cover) and the **Print Media Branch, Alberta Agriculture, 7000 - 113 St., Edmonton, T6H 5T6.** Publications in this list are designed primarily for individual use (non-classroom) by farmers, homemakers, gardeners and business firms.

Don't waste printed material. Order only those publications which are actually needed and useful. We reserve the right to limit quantities and substitute if necessary.

HOW TO ORDER

1. **Adult Residents of Alberta** may order single copies of up to 10 different publications by specifying the agdex or homedex number and publication title.
2. **Residents of other Provinces** are urged to contact their own Provincial Department of Agriculture for publications more pertinent to their local conditions.
3. **School Librarians** in Alberta may obtain (by written request on school letterhead only) a maximum of 50 different publications per year free of charge. Agriculture Canada publications should be ordered from Agriculture Canada, Information Division, Ottawa, K1A 0C7.
4. Students cannot be supplied with individual copies for their personal use. They should apply through their teachers, who may receive limited quantities from school libraries. Sections 3 and 4 do not apply to student publications (see page 33) which schools may obtain in reasonable quantities. ALL REQUESTS FROM SCHOOL STAFF AND STUDENTS MUST BE IN WRITING ON SCHOOL LETTERHEAD. TELEPHONE ORDERS CANNOT BE ACCEPTED.
5. **Commercial Firms and Agricultural Organizations** may order copies for key personnel by specifying agdex or homedex number and title. Justification is required if more than 100 copies are requested. Agriculture Canada publications should be ordered from Agriculture Canada, Information Division, Ottawa, K1A 0C7.
6. **Exhibits and Meetings** will be provided with display copies and order forms. Publications cannot be furnished for redistribution. The Department reserves the right to determine the suitability of publications to be displayed. Agriculture Canada publications should be ordered from Agriculture Canada, Information Division, Ottawa, K1A 0C7.
7. **Press, Radio and Television** please check with the publications office regarding adequacy of supplies before publicizing Department publications. Contact Agriculture Canada, Information Division, Ottawa, K1A 0C7 regarding Agriculture Canada publications.
